

Recital 2025

CINDERELLA

Important Information:

- Each year for our year end recital we stage a full length ballet in which dancers from Ballet 1 through Ballet 8, and SDDT Company dancers are involved. For Recital 2025, we have chosen: Cinderella.
- Cinderella is a ballet in two acts and your dancer is only involved in either Act 1 or Act 2 based on their class placement.
 - Please see the "Cast List" to determine which act your dancer is involved in
 - Act 3 of our Blue Show will remain as usual for our Modern, Jazz and Tap classes.
- SDDT's senior dancers will be performing the principal roles with a few guest dancers while our SDSD students will perform as the corps de ballet.
- Your dancer has been working on a short section of the ballet in their weekly class(es) and we plan to put all of those sections together during our "Run-Throughs".
- Run-Throughs are NOT mandatory for SDSD dancers but are very highly encouraged so that your dancer will look their best on recital day.
 - Please see the "Run-Through Rehearsal Schedule" to determine when the act your dancer is involved in will be rehearsing.
 - The full rehearsal schedule can be viewed on the SDDT Call Board at www.sddt.org/call-board
 - Run-Throughs ARE mandatory for SDDT Company dancers.
