Handbook

HISTORY & VISION

The South Dayton School of Dance was founded by Elizabeth Karns in 1986. Miss Liz had a vision of creating a school to train world class well rounded dancers. Since then, SDSD has done just that with numerous former students dancing and teaching professionally. Since its inception, SDSD students have trained in ballet, modern, tap, jazz, and so much more. Over the schools 35 year history, Elizabeth Karns, Gigi Gardner, Gina Walther, Julie Anderson, and Erin Robbins have all served as owners with Miss Erin being the sole owner since 2023.

The South Dayton School of Dance is committed to providing the highest quality classical dance education by boasting a faculty of which each member has either a college degree in dance, professional dance experience, or both. SDSD prides itself on creating a family atmosphere where all feel welcome to fall in love with the joy of dance.

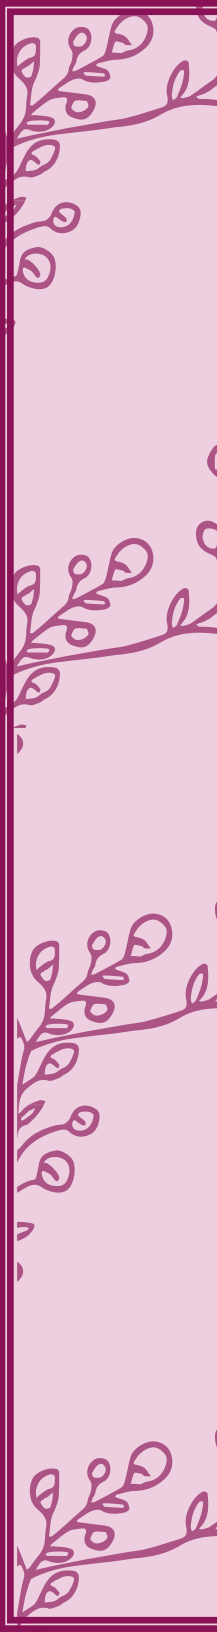

STUDENT & PARENT BEHAVIOR POLICIES

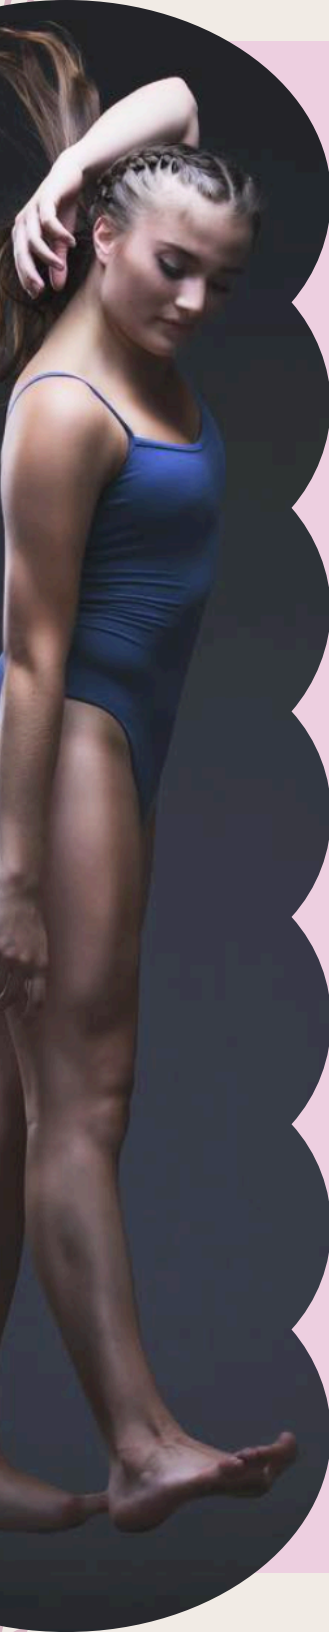

Email/Text Communication: Email is our primary means of communication with parents. Our official email address is southdaytonschoolofdance@gmail.com. Please check your email often for new information and updates from SDSD. If you are not receiving our emails, please check your spam or junk folder first, and then email us if the issue persists. Additionally, we send a monthly newsletter with an abbreviated schedule, reminders, and information about upcoming events, and more! Texts will only be sent for very important reminders or in emergency situations.

Attendance and Promptness: Attendance will be monitored closely. Absenteeism will slow down your child's progress as well as the progress of the entire class. We are committed to developing your child's talents to their fullest potential; therefore, attendance is expected at each scheduled class. Part of a student's attendance includes being on time. Dance students are expected to arrive 5-10 minutes prior to class. If a student arrives more than 10 minutes after the start of the class, the instructor will have her/him sit, observe, and not participate for their own safety as they will have missed the warmup. Recital participation requires consistent attendance and is up to the discretion of the teacher.

Student Absence Policy/Make-Up Classes: If your dancer will be absent from a class, we ask that you enter this absence into our Parent Portal so that our instructors can plan accordingly. Make-up classes are available only if the dancer is ill or if there is a family emergency. Make-up classes are not permitted for absences resulting from participation in other activities. If you will miss a class due to illness or emergency, you must schedule your makeup class on the Parent Portal. All missed classes must be made-up within 1 month of the class missed.

Behavior Standards: South Dayton School of Dance strives to protect and foster the interests of all dancers and their families at all times. SDSD dancers and their parents/guardians are expected to behave in a socially acceptable fashion and in furtherance of the wellbeing of all dancers, faculty, staff, guests, partners and volunteers. South Dayton School of Dance has adopted a strict policy against harassment of any kind. Statements made in any form: verbal, written or electronic, and/or behavior that are of racial, ethnic, sexual, violent, threatening, harassing, bullying or demeaning in nature will not be tolerated.
